

Reopening Guidance

We know many businesses are looking forward to opening their doors again as Colorado settles into the Safer at Home phase. The [Safer at Home website](#) provides guidance by sector for businesses looking to reopen. As a reminder, the local health department where the business is located is the ultimate authority regarding guidance in that specific community.

Other resources include:

- [Reopening business templates](#): offers best practices, direction, and information on how businesses can restart operations safely and effectively.
- [Purchase PPE and other supplies](#): products include cloth face coverings, surgical masks, vinyl gloves, individual and bulk hand sanitizer, and disinfectant. KN95 Masks and nitrile gloves are also available, for healthcare institutions only.
- [Free professional services](#): access to volunteers with a wide variety of experience across many industries (consulting, fundraising, graphic design, accounting, etc.), and can match you to someone with experience relating to your unique needs.

I have my PPP loan. What's next?

If you've received a Paycheck Protection Program forgivable loan, we want to make sure you are making the best decisions for your business, whether that's ensuring you are maximizing your loan forgiveness or deciding to return the loan.

- Download the [Maximizing Your PPP Loan Forgiveness \(PDF\)](#) to see your options and help you make the decision as to what's best for your business.
- [PPP Loan Forgiveness Estimator Tools](#): Consult your accountant, tax preparer, and/or lender for advice. These tools are for general planning purposes, does not constitute legal, financial, or tax advice and is not official.

COVID-19 Hotline and Consulting

We have set up a hotline to provide you access to resources and answer questions about COVID-19 specific funding. We are providing consulting to businesses who call in, so this phone number is the fastest way to get assistance.

Hours are Monday through Friday from 8:00 a.m. to 5:00 p.m.

Hotline: (303) 860-5881

Email: oedit_sbnavigator@state.co.us

If you are looking for more in-depth guidance specific to your business, we recommend setting up a no-cost appointment with your [local Small Business Development Center](#). Once you find your local SBDC's page, click on "What We Do" and then "Consulting." You'll need to submit a form to schedule your appointment.

Alternative Sources of Funding

The [Alternative Sources of Funding](#) Google sheet helps Colorado's small businesses find alternative funding sources beyond EIDL, PPP, and other federal loans and programs. There are over 180 opportunities currently in this document.

OEDIT updates this sheet regularly and are aware that resources can change on a day-to-day basis. If you come across any resources that are no longer active, please email us at oedit_sbnavigator@state.co.us.

Please note that this Google sheet is 'live', so you may see changes as we make real-time updates.
