# Greeley Area Chamber of Commerce Leads Groups

## Every Thursday & Friday

Our Chamber Leads Groups meet weekly. There is no charge to join these groups — just a sincere desire to participate and help your fellow Chamber investors grow their businesses while you grow yours.

In a leads group, you will truly get to know everyone very well. Who better to refer your world to than your friends?

Bring your business cards and be ready to introduce yourself to the group so they have a memorable story about who you are, what you do and what a great lead would be for you!
